INTERRA™ HK-4, COOLAM™ LA, LX, 3D,
KAPTON® AND OASIS® FILMS

DuPont Circuit & Packaging Materials (CPM) declares that the above products are in conformity with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS").

To our current knowledge the above products do not contain any of the substances listed in Annex II of Directive 2011/65/EU above the tolerated maximum concentration.

This information is true only for DuPont Circuit and Packaging Materials products as shipped from our facility, and may become invalid if the product is mixed with other materials. It may be subject to revision as new knowledge and experience becomes available.

Since DuPont CPM cannot be aware of all aspects of your business and the impact the RoHS regulation has for your company, DuPont CPM strongly encourages you to get familiar with the RoHS regulation in order to comply with its requirements and timelines.

Sincerely,

Olaf Niber
